Facts About Newport News, Virginia

The city is located on Hampton Roads at the mouth of the historic James River—an ideal location.

Its population in 1880 was about 30 people—fishermen and oystermen.

Its population in 1890 was about 3,000.

Population, United States Census 1910, 20,205.

Its population today within the corporate limits is approximately 25,000.

It is a healthful city, having the lowest death rate in Virginia.

Its assessed value in 1880 was about \$3,000.

Its property value today is about \$50,000,000.

In 1881 the first train over the Chesapeake & Ohio Railway Company ran into Newport News—today as the deep-water terminal of that railroad, it has over seventy-five miles of terminal tracks, with an investment in terminal facilities of over \$15,000,000.

In 1888 ground was first broken for the plant of the Newport News Shipbuilding and Dry Dock Company. Today it has a shipbuilding plant that in efficiency and modern equipment is equal to any in the world and is the largest in America.

In 1891 work was first commenced on an electric car line to furnish means of more rapid transportation between Newport News, Hampton and Old Point. Today it has an electric railway system with over forty miles of track, operating daily from forty-five to fifty cars, maintaining a fifteen-minute schedule between this city, Hampton and Old Point Comfort.

It has one of the handsomest government build-

ings in Virginia for its custom house and post-office, erected at a cost of \$250,000.

It has a fine water supply with over eighty-seven miles of water mains and one hundred and forty-eight city hydrants.

It has two grain elevators with combined capacity of 2,750,000 bushels.

It has two wide-awake, modern and well-equipped newspapers.

It has seven hotels.

It has a splendid police department.

It has a fire department which is equal to any in the State in efficiency.

It has over nine miles of paved streets.

It has over twenty-six miles of sewer.

It has a fine school system, buildings and equipment costing about \$150,000.

It has a well-organized department of health.

It has invested in court house, clerk's office and jail buildings, \$59,500.00.

It has invested in bridges and viaducts about \$155,000.00.

Its railroads and steamship lines handle annually millions of tons of freight.

It has invested in industries over \$20,000,000.00.

It has an annual payroll from its industries of about \$4,250,000.00.

It has seven banks, with deposits of more than \$4,000,000.00.

It has invested in municipal improvements over \$1,000,000.00.

It has a bonded indebtedness of only \$600,000.00.

It has invested in churches and Y. M. C. A. buildings about \$400,000.00.

Its tax rate is only \$1.50. Added to State tax of 10 cents makes a total of \$1.60.

It has the lowest freight rates from the South.

It has an ideal all-year climate.

It has the finest harbor on the Atlantic coast.
It has 10,000 men employed in gainful occupations.

Its exports for the past six months were \$70,-286,491.00.

Its exports of grain for the past year were 40,-000,000 bushels.

Its exports of horses in the past year were valued at \$39,000,000.00.

It has twenty-four-hour freight service to New York.

It has twelve-hour freight service to Baltimore and Washington.

Newport News has grown one thousand times in size in thirty years.

More ships cleared during the past year than ever before in the history of the port.

More men now employed than ever before in history of the city or port.

More houses were built in past year than in previous five years.

Newport News offers free manufacturing sites on land owned by the city.

The advantages of city owned docks for all classes of water traffic.

The largest individual railroad terminal in the world.

Free lighterage and direct connections with seven trunk line railroads.

Two miles of city owned water front for industrial and shipping purposes.

Eight steamship lines that maintain regular sailings to the world's principal ports.

Soil in the surrounding country that raises two or three crops per year.

The only harbor on the Atlantic coast especially constructed for small boats in the fish, oyster and truck trade and the harbor owned and controlled by the municipality.

INDEX TO ADVERTISEMENTS

Reference is especially invited to the following alphabetical list of responsible, enterprising, advertising business men. The more you patronize them the better we can make the Newport News City Directory; your attention is also invited to the names in **DISPLAY BLACK TYPE** throughout the book of those who take pride in sustaining the city directory, and who do not borrow their neighbor's directory.

City Directory Don'ts

DON'T put your Directory in an out of the way place, but keep it in a place that your customers can see and use it without stopping some ONE to find it.

DON'T think that a Directory is paying for itself unless you use it more than an idle clerk can make you money.

DON'T look mad when a customer asks to look at your Directory.

DON'T look happy when a neighbor wants to borrow your Directory, for if you do, he will borrow again and if all were borrowers, when would the next Directory be published?

DON'T forget that an up-to-date city must have a Directory and a merchant that has no DIRECTORY is what?

DON'T forget that a Directory borrower to-day will forget to return it to-morrow and you call him what?

DON'T forget that the man who has a Directory pays for it and the borrower gets for nothing what another man pays for. What do you call him?

When a man advertises his business it is conclusive that he is not ashamed of it, especially if he does his advertising in the Raleigh City Directory.

STREETS

Guide to Streets--Newport News

The city is numbered on the decimal plan—that is, one hundred is allowed each block. For streets running north, numbering begins usually at 20th and 23d streets, the commencing numbers being 2000 and 2300, respectively. West avenue is the main starting point for streets

running east, the 100 numbers beginning with that street. The stranger may be better guided by remembering that all streets designated by numbers, such as 24th, 25th, etc, run east, with the one exception of Hampton avenue. Those designated by names run north.

STREETS RUNNING NORTH

(Even numbers are on the east side, odd on the west)

Beach Road—south from Klondike rd along river bank
Chestnut Avenue—north from 20th, eleventh east of West av
Coal Dock Hill—south of 22d nr River rd

A Live Wire

A representation of your business in the Special Classified Department of this Directory, with reference to it under the various classifications, will carry light to those seeking you.

Don't use an old Directory. It may lead you astray. The changes in a city are so numerous that an out-of-date Directory for present use is comparatively of little value. Buy a new Directory as soon as it is issued.

Put an Advertisement in next Raleigh City Directory and you will receive the benefits for months—what other medium can offer this?
